Tyler's Treasures Pet Crematory will treat all pets and their owners with dignity and respect and will always handle all pet remains with extra care. We assign each pet with an identification number that follows the pet through the complete cremation process assuring a safe return of your pet's remains.

The following information, whether a death has occurred or whether you're planning ahead, will help us assure proper documentation throughout the cremation process.

Pet Name: _____

Breed: _____

Description/Coloring: _____

Owner's Name: _____

Address: _____

Phone: _____ Veterinarian: _____

If a death has occurred we need the location of the pet or if you will deliver the pet to the crematory and circumstances of the death (natural, accident, euthanized). Please contact us prior to transporting your pet to the crematory.
